

Hello everyone, I'm 10 Cent Tom!
Me and my team need your help to change the lives
of people like me - people with disabilities.
Can you help?

10 Cent Tom Works To Provide Relief

for people who suffer from distress, marginalisation, social or economic disadvantage,
misfortune, or helplessness due to living with a disability

More than 1 million working-age people with disability are working or looking for work (are in the labour force).

Just over half (53% or 1.1 million) of working-age people with disability are in the labour force, compared with 84% (or 11.8 million) without disability (ABS 2019).

People with disability have a lower labour force participation rate than people without disability.

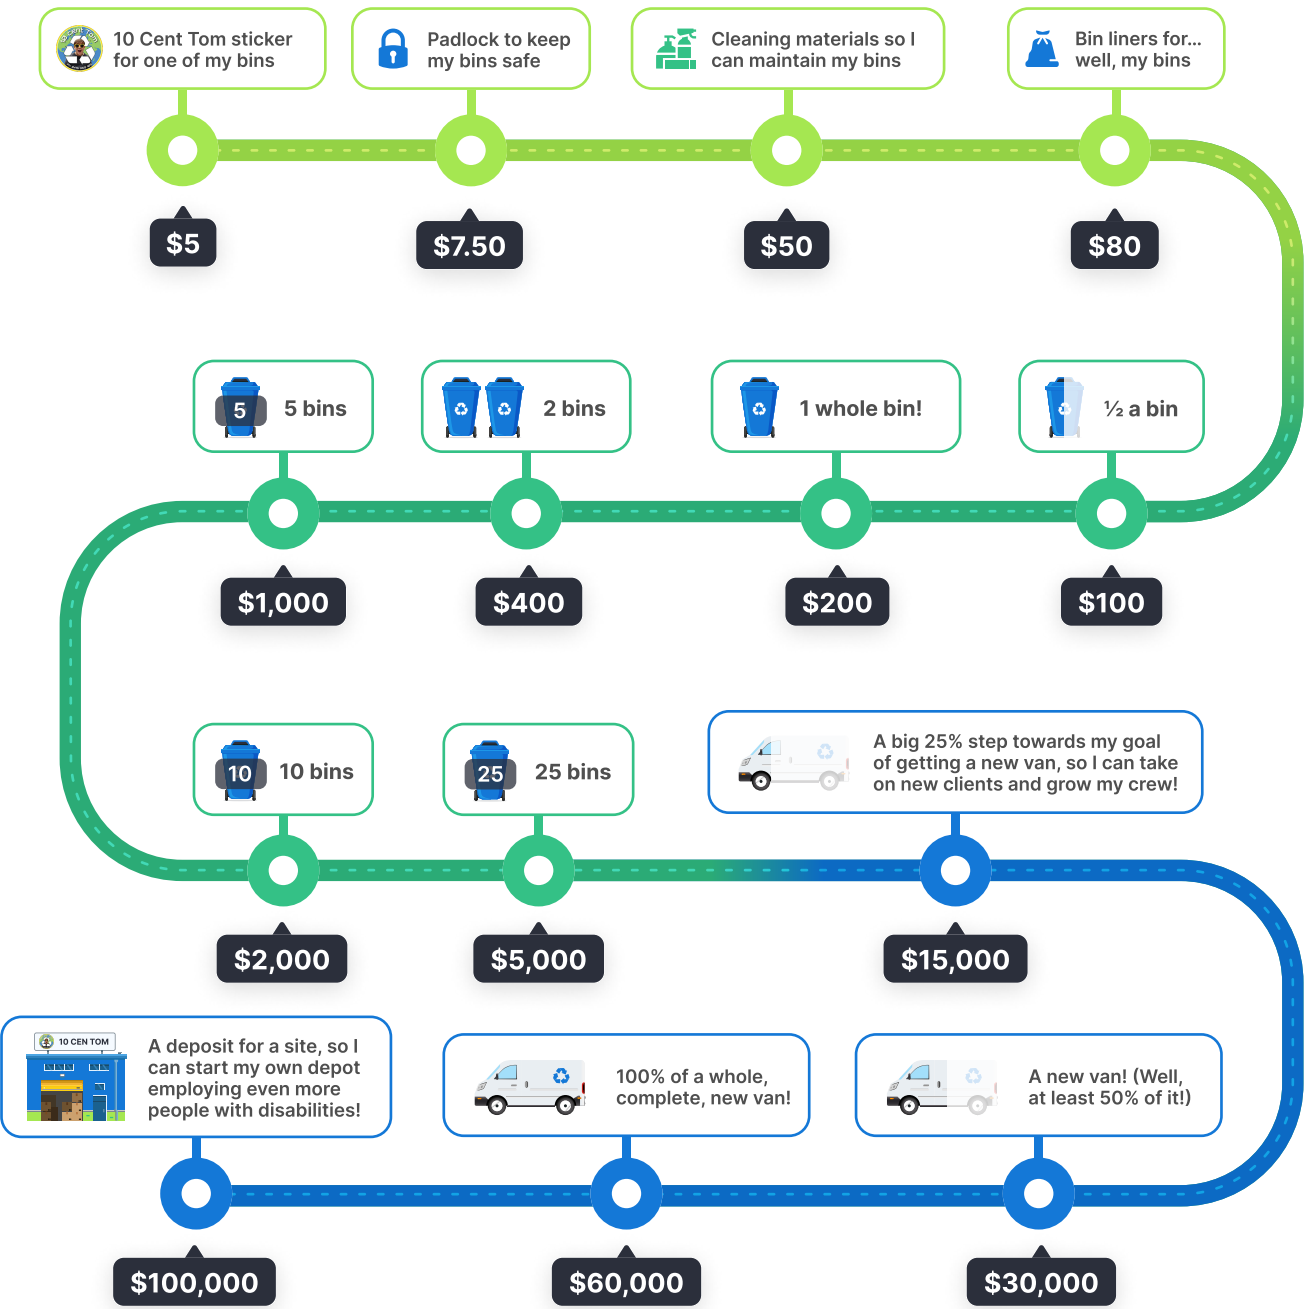

What difference can you make? See it for yourself!

Your contribution can help me secure:

My bins and collection services are how I am growing my business. The more bins I can get, the more I can:

- Help the environment
- Employ people like me, people with disabilities
- Get even closer to opening my own depot

HOW TO DONATE?
Simply send your contribution to:

Account: 10 Cent Tom Limited
